**Minutes of the Meeting of the New Nuclear Build committee  
Held on Zoom on Wednesday 10<sup>th</sup> August 2022 at 10am**

**1. Present:** Chairman Cllr Keith Sullivan, Dr Tony Acton, Tony England and Gillian Ellis King

**2. Apologies:** Cllr Matthew Riddle, Malcolm Lynden and Barry Turner

**3. Declarations of interest and dispensation requests**

None received

**4. To accept minutes of the last NNB meeting held on 08/06/2022 (paper 1)**

Minutes proposed by KS, seconded TA. Minutes accepted.

**5. Update from SSG**

A meeting was held the previous week; KS attended and there was nothing new report to this committee.

**6. Update on the progress of Fusion project**

GEK reported they are waiting for Cabinet to reassemble in September; there are no updates at present. There has been progress on SMR'S; contacting Rolls Royce was discussed to enquire whether they are considering using the Magnox site. However, it is important to note that no one wants to compromise the Fusion proposal.

Action

KS and TA to liaise and form a letter to Rolls Royce regarding potential SMR's in Oldbury on behalf of the NNB committee; they will report back in October's meeting

**7. Update from Dr Tony Acton on the NNB committee's response to the Public Consultation a change to Hinkley Point C radioactive substances environmental permit (link is Item 2 below)**

TA explained the consultation; he views it as safer than a cooling pond. TA highlighted his points in yellow and these were screen shared with the committee. GEK reported that SGC have responded with 'no comment' to this consultation whilst emphasising the importance of public safety. No one had anything further to add to TA's response; he was thanked for his work on this.

**8. Any other items of report**

None

**9. Date and time of next meeting**

Thursday 20<sup>th</sup> October 2022 at 10.00am via Zoom.
